## Community Clean-Up Dumpster

Join us in making our community cleaner, greener, and more beautiful!

We invite you to be a part of our TownHome Community Clean Up event!

Anne Arundel County will place a large roll off dumpster at the corner of Fairbanks Ct & Gesna Dr. on May 22, 2024. It will be picked up on May 24, 2024 by noon.

As a reminder to parents, children are not permitted to play in the dumpster as this could be dangerous and a health hazard.
